

## Heron Creek Community Foundation

October marks the beginning of the 4<sup>th</sup> Quarter, and the foundation is getting ready to close out 2021 with a bang! We have clearly been challenged to navigate through another pandemic year, and we believe that we have been successful in our goal to serve the needs of North Port.

Our 11<sup>th</sup> Annual Golf Tournament, is being held this month (COVID friendly format) and is already sold out! Since this is our only fundraiser this year, we want to thank everyone, volunteers, sponsors and players who are getting ready to make this a fun, competitive event, and one that will ensure continued grant awards in the future.

This year, we are in the planning stages to have our Grants Award Ceremony, face to face, at the golf tournament luncheon on **October 22<sup>nd</sup>**. We hope that you will stop by, watch the presentation's and gain a little knowledge on the charities that are supported by the HCCF Grants Program. This is also a great time to meet the HCCF current Board of Directors and ask them any questions you may have regarding the foundation and our mission!

What are the goals of the foundation? To support qualified charitable organizations that serve the citizens of North Port; to provide a singular focus for the philanthropic efforts of Heron Creek residents; to build a fund which will provide for such support in perpetuity.
